[To be used only for notes, requisitions, etc, not intended for permanent record]

In the accomp note dated 24/6, on the accompanying file it is suggested that the President shd settle all details in Communication with the "Senior Surgeon" It is not clear why the Senior Surgeon shd be Consulted

Perhaps "Senior Surgeon" is a mistake for petitioner

Instructions should be by Secy)

I don't think it is a mistake The Senior Surgeon will be able to say what classes will be accommodated on the Chusan & what building
